Section 4: Details of the person interred:

Full Name:

Age at time of death:

Date of death:

Section 5: Details of proposed additional inscription:

Section 6: Details of new memorial:

For new memorials please provide a diagram and dimensions and details of the proposed inscription.

Section 7: Authorisation and Signatures

I solemnly and sincerely declare that I am the present rightful owner of the Right of Burial of the grave for which the application is submitted and that I give permission for the memorial, as detailed in the application, to be erected on the said plot.

Any change notified or incomplete information may incur delay. We must have the signature of the owner of the burial rights as per the Local Authorities Cemeteries Order 1977. It may be necessary to transfer the ownership of burial rights e.g. where the previous owner is deceased before a memorial application can be agreed.
