Do I have to start and finish at the same place?

Please start and finish your challenge at the same library, it helps us keep track of materials and numbers taking part!

We also like to congratulate the library with the most finishers - so help your library win!

You can use your library card in any B&NES Library, on the Mobile and in any Community Run Library. You can join the challenge any of these locations!

What can I read as part of the challenge?

You can read absolutely anything from the library!

- Fiction (Stories)
- Non-Fiction (Information & Facts)
- Listen to Audiobooks (Great for holiday journeys!)
- eBooks and eAudiobooks from BorrowBox
- Comics and Graphic Novels
- eComics and Magazines from Libby
- Share a story with a sibling, carer or family member
- Dyslexia friendly books, picture books, books in other languages...
- Movies are the only format that doesn't count!
