SPEEDING

The response from the PCSO team with the suggestion of a community speed watch scheme to support the work of the beat team was discussed. It is felt that this could work well with our residents however it is acknowledged that COVID restrictions have suspended these groups currently.

Resolved – that the Planning and Highway committee would like to explore a community speed watch scheme and will add to the agenda in October to review if the COVID restrictions have been eased.

PAULTO HILL

It was noted that BANES had confirmed that the potholes and erosion of the road at Paulto Hill had been resolved, however this is incorrect, and the road remains in poor condition. BANES will be contacted requesting urgent attention.

PARKING

An email has been sent to Stefan Chivers on the 6th July with no response, this will be followed up and reported at the meeting in August. Cllr L Hardman has also contacted Joanna Wright to ask for her support with this matter and will report back at the August meeting.
