PAULTON PARISH COUNCIL YOUR MONEY 2026/2027

The precept is the Parish Council's share of the council tax. The Council incurs expenditure and raises income in order to provide its services. The Band D charge for Paulton will increase for 2026-27, and the annual charge will be £164.75, this equates to a cost of £3.16 per week.

Although there is an increase, the increase is the equivalent of £1.06 per month to households in a Band D property and will be less for those in Bands A - C. The Parish Council is committed to trying to keep the tax burden as low as possible while maintaining services to the residents of Paulton.
